

A.P Webb Plant Hire Ltd are committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimizing our potential impact on the environment

We operate in compliance with all relevant environmental legislation and will strive to use pollution prevention and environmental best practices in all we do.

Our Policy therefore is to:

- Promote environmental awareness among our employees and encourage working in an environmentally responsible manner.
- Identify significant risks to the environment from our activities and take practical steps to manage and reduce these risks as reasonably practicable.
- Identify opportunities to improve the company's environmental performance.
- Undertake our activities in such a way as to maximize productivity whilst reducing consumption.
- Reduce Consumption, waste of oil & fuel, noise dust and other emissions.
- Ensure through Instruction, information and training that our employees are aware of the potential impacts of their actions.
- Ensure through Instruction, information and training know how to operate equipment to minimize environmental impact
- Seek innovations products and services that do the least damage to the environment
- Minimise our waste and where possible reuse or recycle as much as possible.
- Dispose of waste materials through approved contractors.
- Develop and maintain appropriate emergency and spill response programmes.

This policy will be periodically reviewed or following a change legislation, company policy and procedure or an environmental incident.
